Phonics Screening Check

‘The phonics screening check is a short, light-touch assessment to confirm whether individual children have learnt phonic decoding to an appropriate standard.’

www.education.gov.uk

The Check

- It is a statutory requirement for all schools to carry out the check
- The check will take place sometime during week beginning 12th June 2017
- Children will have to read 40 words
- 20 words are real and 20 are pseudo words (not real)

- The check will be administered by your child's class teacher
- If child is absent they can take it the following week but after 23rd June it will be recorded as absent.
- Threshold published 26th June
- Practise sheet in hand outs to follow at next workshop
