

## School Improvement Action Plan 2016-2017

**Plan:** To provide opportunities for, and inform parents as to how, our community can lead healthy lifestyles

**Success Criteria:** Our school community is aware of, and choosing to take part in, physical activity opportunities in our school. Parents and children know how to keep healthy in the winter months.

Actions required	Action by whom	Action by when	Resources & staff develop needs	Funding Source	Monitoring - how and who
To provide further opportunities for children to be physically active, including physically active in a creative way	Ben	Autumn term 2 when clubs will start up again	Ben to take feedback from deliverers of lessons and clubs and look at suggestions from parents and children for additional clubs or changes to current clubs. Also consider who is to deliver sessions	Sports Premium	Ben to monitor. Drop in to club sessions. Take feedback from children and from parents at the end of the year.
