

## Sports Premium

### **What is the sports premium?**

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Schools must spend this funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

### **How much is our school receiving?**

Our infant school has received £5, 248 in October 2013 and £3, 352 in April 2014 with further funding to be received. Our junior school has received £5, 629 in October 2013 and £3, 561 in April 2014 with further funding to be received.

### **How is it being used?**

- We are employing sports coaches to work alongside teachers in both schools to support the planning and delivery of outstanding PE lessons.
- We are employing sports coaches to work alongside an SMSA to provide coaching and competition in a variety of sports at lunch time in our junior school.
- We have set up an after-school multi-skills sports club in our junior school.
- Our Year 2 children will have swimming lessons at a local pool with a qualified swimming instructor.

- We are establishing links with a local secondary school (Park View Academy) to receive support from and take part in competitive sports they organise with other local primary schools.
- We will look to increase our competing in borough-wide tournaments.
- We will hold intra-school competitions in PE lessons, at lunchtimes and for our school Sports Day.
- We are fitness testing and monitoring our children across both schools so that we can target those that are deemed to be unfit or unhealthy.
- We are providing a healthy living day across both schools in 2014/15
- We are holding a PE and Healthy Living week in June.
- We are holding a full day skipping workshop in our infant school.
- We are buying resources and holding a skipping fundraiser across both schools.
- We will release our PE Coordinator to attend PE and Sports meetings and training.
- We will release staff to attend PE CPD training as and when the opportunity is needed and arises.
- We are involving our children in the delivery of lunchtime activities to make them Junior Sports Leaders.
- We are looking to provide further opportunities for alternative sporting activities.

As of the end of March 2014 part of the funds were to be used as follows:

£2, 000+ on coaching in the Junior school to train staff in the delivery of Athletics and Sports.

£2,400 on lunchtime activities. Training of a Junior member of staff and employing extra staff.

£1,350 on SAQ coaching in the Infant school.

£1,200 on swimming in the Infant school.

£700+ on coaching staff in the delivery of Sports in the Infant school.  
£295 on a Skipping Workshop to encourage more active children at lunchtime in the Infant school.

For more detail on PE and sport provision please see below. For more details on the exact spending of these funds please contact Mr Humphreys at the school.

### **How will it be measured?**

- Some staff weaknesses were identified by the PE Coordinator prior to the announcement of this funding last year. It is for this reason that Gymnastics training has been received by all staff and since the announcement of this funding support in the delivery of games and athletics is being provided.
- A further staff evaluation is being carried out over the Spring 2 and Summer terms to inform the PE Coordinator of staff needs to inform of staff CPD training in the year 2014/15
- All teachers will be observed in PE and will have a Professional Development target relating to PE in the year 2014/15 and be supported as necessary
- School Governors will monitor the impact if this funding
- Children will complete a questionnaire prior to receiving professional coaching and then again at the end of the Summer term to gauge attitudes towards the quality of PE and sport offered to them
- School to monitor the number of competitions the children are taking part in, both at an intra and inter school level.
- School to apply for Kitemark Status in June 2014 based on this year's commitment to the provision of sport
- School will audit the participation in clubs and events -
- School to continuously monitor the fitness of children and react accordingly.
- To evaluate and look to address the number of children who can swim 25 metres by the end of Key Stage 2.
